Four Stallion Shares and Three Half-Shares

A unique opportunity on the market, a share in **SHANNON MAESTRO** will be offered as Lot 25. This son of **Doctor Dino** will begin his stallion career in 2027 at Haras de la Hêtraie. The share entitles its holder to **two coverings** per year during the first three breeding seasons, followed by **one covering** per year from 2030 onwards.

A share in **SEALIWAY** will also be offered as Lot 5. The stallion continues to make headlines, with two-year-old winners emerging from his first crop. This share entitles its holder to **one covering** for the 2027 breeding season.

A share in **THE GREY GATSBY** will be offered as Lot 15. Winner of the Prix du Jockey Club (**Gr.1**) and the Irish Champion Stakes (**Gr.1**), he has already sired several high-class performers, including **KAJA**, a **Group 1** winner, and **ISIS D'INOR**, a **Group 2** winner.

A share in **FLY WITH ME** will be offered as Lot 30. The only son of **Beat Hollow** standing in France, he has already sired **Group 2** winner **KLUB DE REVE** and **Group 3** winner **LE PETIT CHEVAL**. The share entitles its holder to **two coverings** in 2027, followed by **one covering** per year thereafter.

A half-share in **ZELZAL**, France's leading sire by number of winners, will also feature in the catalogue as Lot 30. This son of **Sea The Stars** has already sired **Group 1**-placed **ALAM**, Group winners **MISE EN BOITE** and **SHELZAWA**, as well as Classic winner **PIANA**. The share entitles its holder to **one covering** per year.

Finally, two half-shares in **LEON DU BERLAIS** will be offered as Lots 10 and 20. This son of **Authorized**, whose first foals were born in 2026, boasts an impressive racing record, highlighted by victory in the Prix d'Indy (**Gr.3**) and a second-place finish in the Prix Cambacérès (**Gr.1**).
