Three New Wild Cards Join the National Hunt 48H Sale Catalogue

Taking place on **13 November** at **Maisons-Laffitte**, the **National Hunt 48H Sale** welcomes **three new performers** as **Wild Cards.**

Four-year-old **FANFARON** finished third in a **Listed** race at Compiègne on his latest outing, when trained by Hugo Merienne. By **Nirvana du Berlais**, he has recorded two wins over 3,600 and 3,800 metres at Auteuil and Compiègne. He comes from the family of black-type winners **TAKEROC, ROCKETIR, ROCPISTOLE, CHANCOL** and **DANS LE VENT**.

SAINTE HELENE, by top sire **Doctor Dino**, finished second on her latest outing in a Class 3 race over 3,600 metres at Fontainebleau. A winner over hurdles at Senonnes in July, she subsequently finished fourth in the Prix de Chambly (**Gr.3**) at Auteuil, trained by Hector de Lageneste and Guillaume Macaire. This three-year-old filly is out of a black-type mare and belongs to the family of champion **A PLUS TARD**, **Group 3** winner **L'AUBONNIERE** and black-type winners **DOTTORE** and **TURBOTIN**.

MASTER SEI, trained by Donatien Sourdeau de Beauregard, made a promising debut, finishing third in a Class 3 at Bordeaux in early October. By **Cokoriko**, he comes from the family of champion **APPRECIATE IT, JOHNNY'S JURY, BINGO BELL** and **JOYEUSE MARQUISE**.

These three performers join the other previously announced Wild Cards: the mare **ALMA MARCEAU**, a **breeding right to Goliath du Berlais**, and **JUST KEN**, who made a winning debut at Deauville. The merit of that performance was further highlighted by PALM BEACH's recent victory on the same track, having finished fourth in the race in which JUST KEN made his debut.

A few Wild Cards are still available, and online bidder registration is now open on aktem.fr.
